Driving/unloading Directions for State 1A, 2A, and 3A Choral Contest and State Vocal Contest

April 19-20, 2012

- Buses should enter campus from MacArthur Street (on the north side of campus), then proceed south on Raley Drive which is on the east side of **Agee Residence Center** (27 on the map). Busses will not be allowed to enter Raley Drive going north: it will be a one-way street (going south) for these two days
- There will an unloading station on the west side of **Raley Chapel** (22 on the map) - students, equipment, and other items may be unloaded at this point
- Buses should NOT drive behind the chapel
- Bus parking is marked on the map - the best place is on the far southwest corner of campus - only about a one-minute walk from the chapel
- The contest venue is **Raley Chapel** - most choir, ensemble, and solo performances, and registration will be in this building. It has handicap access from both north-facing doors. Students are welcome to utilize **Ford Music Hall** (5 on the map) as a warm-up and practice facility. It contains more than 20 practice rooms - however, it is a three-minute walk from the chapel. Some ensemble adjudication will be held in the Student Center, immediately east of the Chapel (12 on the map)
- If you are driving individual vehicles, the lots directly on the south side of MacArthur Street are designated as visitor parking. Please do not park behind the chapel, as space is limited and it is a very congested space

A map is attached, showing directions on campus and from Interstate I-40.
