

## International Student Financial Guarantee – Part I

### *Intensive English Program / English Language Institute*

Student's Name \_\_\_\_\_ Country of Birth \_\_\_\_\_

United States Citizenship and Immigration Services (CIS) regulations require documentation that sufficient financial resources are available to meet a prospective student's educational and living expenses while in the U.S. Therefore, Oklahoma Baptist University requires a guarantee of financial resources from each applicant who expects to obtain or maintain student (F-1) status. Applicants are required to submit financial documentation that equals or exceeds one full year of expenses for the program of study they are interested in pursuing. Adjustments in the financial certification cannot be made based on a student's individual circumstances. This estimate is based upon full-time course work each semester for undergraduate studies. An I-20 cannot be issued until this information is provided.

Scholarships available to international students at OBU are very limited, and students should not rely on scholarship funds to finance their educational costs. Refer to the Guidelines brochure for more information regarding scholarship opportunities available at OBU.

The amounts listed below are subject to change without notice. Historically, total costs have increased an average of 6 percent each year. Students can expect adjustments in the amounts listed on the I-20 which will reflect estimates for the upcoming year.
