
Hannah R. Benge, ClinScD, CCC-SLP

Education

August 2018

ClinScD, Speech-Language Pathology

Rocky Mountain University of Health Professions, Provo, UT

Capstone Research: Effect of Treatment Environment on the Adult who Stutters

May 2007

M.S. in Rehab Sciences, Communication Sciences & Disorders

Medical University of South Carolina, Charleston, SC

May 2005

B.A., Counseling

Bob Jones University, Greenville, SC

Additional Education

Spring 2019

Com 526: Special Topics--Crisis Communication (3 Graduate Credits)

Dr. Charlotte Burke and Dr. Gary Weier, *Bob Jones University*

Summer 2015

Singing Voice Lessons

Dr. Megan McCauley, *Operatic Voice Instructor*

Spring 2015

Com 521: Nonverbal Communication (3 Graduate Credits)

Dr. Darren Lawson, *Bob Jones University*

Fall 2014

Com 507: Conflict Management (3 Graduate Credits)

Dr. Charlotte Burke, *Bob Jones University*

Spring 2014

Vo 221: Private Voice Instruction (1 Credit)

Ms. Markel Toler, *Bob Jones University*

Fall 2013

Vo 221: Private Voice Instruction (1 Credit)

Ms. Markel Toler, *Bob Jones University*

Doctorale Students

2023-2024

Kathryn Jordan, SLPD Student studying: **The Effect of Clinical Simulation Training on Empathy in Speech-Language Pathology Graduate Students**, *Rocky Mountain University of Health Professions*

Honors

2024-2027

Award for Continuing Education (ACE)

CE Registry, *American Speech-Language Hearing Association*

2020-2022

Award for Continuing Education (ACE)

CE Registry, *American Speech-Language Hearing Association*

2018-2020

Award for Continuing Education (ACE)

CE Registry, *American Speech-Language Hearing Association*

2018-2019

Excellence in Teaching Award, Faculty Recipient

Division of Communication, *Bob Jones University*

2015-2018

Award for Continuing Education (ACE)

CE Registry, *American Speech-Language Hearing Association*

2012-2013

Excellence in Teaching Award, Faculty Recipient

Division of Communication, *Bob Jones University*

August 2005 – May 2007

MUSC Dean's List

	Grades >3.5 GPA, <i>MUSC</i>
May 2005—May 2007	MUSC Health Professions Honors Council Student Government & Ethics Member, <i>MUSC</i>
March 2001	President's Club Overcomers Award Study Body Recipient, <i>Bob Jones University</i>

ACADEMIC EMPLOYMENT

SLP Department Head & Associate Professor, *Bob Jones University* August 2007 – Current

- Developed the master's program and wrote the paperwork to earn ASHA CAA accreditation
- Served as program chair for the MS SLP program & oversaw the maintenance of ASHA CAA accreditation
- Taught undergraduate and graduate classes focusing on anatomy & physiology, research, voice disorders, fluency disorders, pediatric and adult language disorders, and neuro rehabilitation
- Conducted interdisciplinary research in the areas of voice (singers & presbyphonia), stuttering, physical activity and mental health, and healthy aging (cognition, fall risk, fall prevention)
- Awarded 3 grants to fund student research
- Presented educational and professional workshops in the community, at higher education institutions, for the Piedmont Speech-Language & Hearing Consortium, for the National Stuttering Association, and the South Carolina Speech-Language Hearing Association
- Served on various research and academic committees

CLINICAL EMPLOYMENT

Speech-Language Pathologist, *Bob Jones University* August 2007 – May 2023

- Received referrals and collaborated with SLP faculty on clients
- Collaborated with freshman speech teachers, freshman advisors, university faculty, and student life staff on speech-language deficits and assisting students
- Provided vocal health education and consultation for those in choirs and Fine Arts productions
- Collaborated and served as voice SLP for the music department's vocal injury protocol
- Provided speech-language therapy services for referred students, faculty, staff, and/or retirees in the areas of speech sound disorders, motor speech disorders, fluency, mTBI/PCS rehabilitation, pragmatics, and voice

PRN Speech-Language Pathologist, Rehabilitation Department & Acute Care, *Bon Secours St. Francis Hospital* June 2011 - Present

- Treat adult patients for dysphagia, dysarthria, motor speech disorders, voice disorders, aphasia, pragmatics, and cognitive-linguistic deficits
- Administer bedside swallowing, aphasia, voice, and cognitive-linguistic evaluations
- Complete annual hospital related continuing education
- Utilize the Epic System for patient care documentation
- Provide evidence-based and compassionate family education
- Brainstorm with other SLPs about complex cases and providing the most appropriate care
- Collaborate with hospital professionals and participate in team conferences to provide patients with the highest level of care

Contract Speech-Language Pathologist, *Legacy Early College* May 2021 – June 2021

-
- Filled in for a maternity leave as a contract SLP for A to Z Therapy with K5 through fourth graders
 - Collaborated with teachers, administrators, reading specialists, and other school personnel to deliver in person and teletherapy services to about 60 children with various speech-language needs

Speech-Language Pathologist, Bob Jones Academy

August 2007 - May 2013

- Screened, assessed, and treated children from K3 through twelfth grade with suspected speech or language disorders
- Treated students with articulation, phonology, language, pragmatic, auditory processing, fluency, and voice deficits
- Collaborated with teachers, outside contractors, and administrators for the success of the students and SLP program
- Presented workshops on Fragile X Syndrome, Speech Language Deficits & Academic Difficulties, and Language & Early Intervention

Classes Taught

SLP 602	Developmental Language Disorders & Literacy
SLP 608	Neural Bases of Communication & Acquired Neural Disorders
SLP 610	Voice & Motor Speech Disorders
SLP 618	Professional Issues in Speech-Language Pathology
SLP 690	Master's Thesis
CSD 402	Neurogenic Language and Cognitive Disorders
CSD 405	Special Topics in Speech-Language Pathology

Classes Previously Taught

CD 206	Introduction to Communication Disorders
CD 207	Anatomy & Physiology of the Hearing & Speech Mechanism
CD 300	Observation & Practicum I
CD 302	Normal Language Development
CD 306	Speech & Hearing Science
CD 400	Observation & Practicum II
CD 400	Seminar in Speech-Language Pathology
CD 403	Disorders of Voice
CD 404	Disorders of Fluency
CD 404	Foundations of Voice and Fluency Disorders
CD 499	Clinical Practicum Supervisor
SLP 650	Clinical Methods & Practicum 1
HS 325/HS 420	Independent Study

Research Projects

ABC for Healthy Aging: Advancing Balance and Cognition

Center for Community and Global Health, *Spring 2024, Fall 2024, & Spring 2025*

Physical Activity, Mental Well-being, and Sleep: The PAWS Study

Center for Community and Global Health, *Spring 2023 & Fall 2023*

Fall Prevention: A Pilot Study on the Influence of Cognitive Intervention on Gait and Balance

Center for Community and Global Health, *Fall 2022 & Spring 2023*

Fall Risk: An Analysis of Balance, Cognition, and Fatigue in the Elderly

Center for Community and Global Health, *Spring 2022 & Fall 2022*

Effects of Aerobic Exercise on College-Aged Singers

Center for Community and Global Health, *Spring 2021*

COVID-19 Long Haulers in the BJU Community

Bob Jones Educational Group and Bob Jones Inc, *Spring 2021*

Effect of Treatment Environment on the Adult Who Stutters

Doctoral Research, *Summer 2018*

Vocal Hygiene Behaviors in University Students Training for Professions of Heavy Vocal Use

Bob Jones University, *Spring 2013*

Research Poster Presentations

Fall Prevention: A Pilot Study on the Influence of Cognitive Intervention on Gait and Balance

South Carolina Speech-Language Hearing Association Convention 2023, *Charleston, SC*

Effects of Aerobic Training on Vocal Performance: A Pilot Study

South Carolina Speech-Language Hearing Association Convention 2023, *Charleston, SC*

Effect of Treatment Environment on the Adult Who Stutters

South Carolina Speech-Language Hearing Association Convention 2019, *Greenville, SC*

Effect of Treatment Environment on the Adult Who Stutters

American Speech-Language Hearing Association Convention 2018, *Boston, MA*

Vocal Hygiene Behaviors in University Students Training for Professions of Heavy Vocal Use

South Carolina Speech-Language Hearing Association Convention 2014, *Charleston, SC*

Presentations

Vocal Health Tips, Strategies, & Exercises. Majesty Music's 2026 Rejoice! Music & Family Conference (June 26, 2026).

Vocal Mechanics & Ways to Decrease Tension. Majesty Music's 2026 Rejoice! Music & Family Conference (June 27, 2026).

Aging Research on Fall Prevention & the Importance of Voice: Interactive Workshop (Co-presented with Dr. Stephen Chen and assisted by independent study students)

Bon Secours LifeWise, Fall Workshop (Sept. 7, 2023)

Fall Prevention and Speech (Co-presented with Dr. Stephen Chen)

Bon Secours LifeWise, Aging in Place Event (May 6, 2023)

A Healthy Aging Society

Center for Community and Global Health 4th Annual Symposium (March 8, 2023), Bob Jones University

Analyzing Age-related Changes Pertaining to Fall Risk and Speech-Language Abilities

Center for Community and Global Health 3rd Annual Symposium: Healthy Aging: Challenges & Strategies (March 17, 2022), Bob Jones University School of Health Professions

**Served as Coordinator and MC of the Conference*

COVID-19 Long-haulers: An Emerging Global Issue

Center for Community and Global Health 2nd Annual Symposium: COVID-19, Global Health and Pathways to Recovery (April 22, 2021), Bob Jones University School of Health Professions

**Served as Coordinator of the Conference*

Fluency Disorders: Expand Your Toolbox (6.0 CEU Event)

Piedmont Speech and Hearing Consortium Spring Workshop 2020

Dementia: Tips & Types

South Carolina Speech-Language Hearing Association Convention 2020

Research Updates and Practical Tips for Working with Teens and Adults Who Stutter

Southeast Regional National Stuttering Association One Day Conference (5/18/19), *Bob Jones University and National Stuttering Association*

**Served as Assistant Director of the conference*

Working with Teens and Adults Who Stutter: Research Updates and Ideas

South Carolina Speech-Language Hearing Association Convention 2019

Neural Wiring, Communication, and Autism Spectrum Disorders

Human Genetics Symposium (3/29/19), Bob Jones University and Greenwood Genetics Center

Vocal Health for Singers

Voice Performance Class (9/18/18), Bob Jones University

Communication Development for Children: Strategies for Language, Stuttering, Autism, and More.

(Co-presented with Sharon Calvino, BS, SLPA)

Gospel Fellowship Association 2017 Conference

Voice Health: Protecting Your Tool for Ministry

Gospel Fellowship Association 2017 Conference

Speech-Language Pathologist & the Classroom Teacher

Introduction to Exceptional Learners Class (Each semester 2016-Present), Bob Jones University

Singer's Vocal Pathology & Rehabilitation

Vocal Pedagogy II Class 2015-2017, Bob Jones University

Vocal Health & the Singer

Voice Performance Class, Bob Jones University

The Voice: Tips for Actors, Singers, & Speakers

Vocal Hygiene Survey Participants, Bob Jones University

The Voice: Tips for Actors, Singers, & Speakers

AACS Special Presentation, Bob Jones University

Language & Early Intervention

Early Childcare Development Majors, Bob Jones University

Speech-Language Deficits & Academic Difficulties

Teachers & Administrators, Bob Jones Academy
