GIVE THE GIFT OF MEMBERSHIP

Giving a membership is a great way to connect women with others who desire to support the mission of Oklahoma Baptist University. Women of Vision provides them with exposure to wonderful resources, relationships, and experiences, as well as the opportunity to instill within them a sense of community and the importance of philanthropy.

Sponsorship: provide a membership to the Circle for a current OBU student or recent graduate (*past five years*) – \$500 annual gift.

Gift: consider gifting a circle membership to a family member or friend – \$1,000 annual gift.

Our mission is to empower women through a collective and influential voice and enable them to make a significant financial contribution to the students, programs, faculty, staff, and mission of Oklahoma Baptist University.

Building a Legacy on Bison Hill

ABOUT THE
Circle

WOMEN OF VISION is a giving circle at Oklahoma Baptist University that offers a unique opportunity to join other women who desire to create a valuable financial source to support, promote, sustain, and enhance the university's mission. Through the giving circle, individual contributions are pooled, and together, the Circle members decide how the money should be meaningfully directed on Bison Hill.

The idea behind Women of Vision is simple:
We can do MORE together.

IMPACT

Raising nearly \$400,000 since its 2015 inception, WOV has chosen the following ways to invest their collective gift on Bison Hill.

- 2020:** Installation of new outdoor seating across campus, creating additional spaces for students to gather safely while social distancing.
- 2019:** Renovations to Thurmond Hall and the admissions lobby impacting potential new students and current students
- 2018:** Installation of blue phones for increased safety across campus and established a women of vision endowment

OBU WOMEN OF VISION EXISTS TO:

- **EDUCATE** women about the exemplary diverse people, innovative programs, and visionary progress at OBU.
- **ENGAGE** alumnae, friends, and OBU community in enriching academic, social, and spiritual life on Bison Hill.
- **ENCOURAGE** women to be influential and distinguished philanthropic leaders at OBU and celebrate the power, impact, and fulfillment of giving together.

HOW THE GIVING CIRCLE WORKS

- Each member contributes \$1,000 annually.**
A special rate of \$500 per year is offered to Faculty/ Staff (or their spouses), as well as current students and recent graduates (past five years) of OBU.
- The members review a selection of OBU projects that are in need of funds, and each member votes for the project she deems most worthy.**
Women of Vision will hold an annual event in September to review projects and vote on how to award the money. If attendance is not possible, members may vote by absentee ballot prior to the event. For membership this year, contributions must be received by Dec. 31.
- The grant is awarded to selected recipient(s).**
- Members stay informed about the progress of the funded project and can celebrate the impact achieved by giving together.**

2017: Renovation/relocation of Spiritual Life, offering students space and resources for meaningful, spiritual encounters

2016: Installation of keyless card access technology on all major buildings, further enhancing the safety and security for the entire OBU family

2015: Installation of additional outdoor lighting in key areas around campus, providing peace of mind through added safety and security

YES! I would like to join the Women of Vision Giving Circle.
