

#### **Foreword**

As reflected in the evidence collected in the 2017-18 factbook (Third Edition), Oklahoma Baptist University remains deeply committed to the university mission:

As a Christian liberal arts university, OBU transforms lives by equipping students to pursue academic excellence, integrate faith with all areas of knowledge, engage a diverse world, and live worthy of the high calling of God in Christ.

The university factbook focuses on many of the contributing offices on campus and is designed to provide university-level information that will promote a more effective understanding of OBU's organizational structure. The compilation of the enclosed information provides data to support data-driven decision-making initiatives which lead to the efficient and effective use of its resources.

We are grateful to God for His continued provision on Bison Hill.

Esse Quam Videri,

Dr. Susan DeWoody Vice President for Academic Affairs

#### **OBU** in Summary

Oklahoma Baptist University is a senior level coeducational institution with an enrollment of approximately 2,000 students. About 65 percent of OBU's students are from Oklahoma, while the other 35 percent come from approximately 34 other states and 39 countries.

OBU is located in Shawnee, a city of 31,500 residents, which is 35 miles east of Oklahoma City and 90 miles southwest of Tulsa, near the geographical center of the state. OBU's 200-acre campus is on the northwest edge of Shawnee just two miles south of Interstate 40.

OBU utilizes the semester calendar plan with a four-month fall term, a three-week January term, a four-month spring term, and two four-week summer terms. The University offers nine baccalaureate degrees: the Bachelor of Arts, Bachelor of Science, Bachelor of Science in Education, Bachelor of Business Administration, Bachelor of Professional Accountancy, Bachelor of Music, Bachelor of Musical Arts, Bachelor of Music Education and Bachelor of Fine Arts; four master's degrees: Master of Arts, Master of Business Administration, Master of Science in Marriage and Family Therapy, and Master of Science in Nursing; and one associate's degree: Associate of Arts in Christian Studies. OBU's curriculum features strong general studies requirements and 84 areas of concentration and majors in departments of instruction. Areas of study lead to a large number of entry-level occupations in such career areas as business, communications, education, fine arts, recreation, religious vocations, scientific and technical areas, and social sciences and services.

#### History

The Baptists of Oklahoma Territory, realizing the great need for Christian emphasis in institutions of higher learning, decided in 1889 to build a college. This institution, Oklahoma Baptist College, was located at Blackwell, Oklahoma, and was maintained until 1913.

For several years, a Baptist academy also was operated at Hastings, Oklahoma, but in 1912 it was moved to Mangum and reestablished as Southwest Baptist College, a junior college. Like Oklahoma Baptist College, this school suffered from a poor geographical location within the state, and closed in 1914.

The real founding of Oklahoma Baptist University occurred in 1906 when the State Baptist Convention, in session in Shawnee, appointed a commission to make plans for the founding of a Baptist university. In 1907, a board of trustees was elected, and in 1910 articles of incorporation were granted. The school actually opened in September 1911, in the basement of the First Baptist Church and in the Convention Hall of Shawnee.

Also in 1911, a group of individual Baptists organized an independent school at Oklahoma City under the name of Carey College, but it had to close its doors at the end of four weeks. Many of the students and a few faculty members transferred to Oklahoma Baptist University.

The City of Shawnee contributed the original 60-acre campus and the first building, Shawnee Hall, which was ready for occupancy by September 1915. Since that time, adjoining tracts of 140 acres have been added and 30 major buildings have been erected.

OBU is owned and supported by the Baptist General Convention of Oklahoma, which consists of approximately 1,700 cooperating Southern Baptist churches. OBU is responsible through the President to the Board of Trustees, whose members are elected by that Convention.

#### **OBU's Mission Statement**

As a Christian liberal arts university, OBU transforms lives by equipping students to

- o pursue academic excellence
- o integrate faith with all areas of knowledge
- o engage a diverse world
- o live worthy of the high calling of God in Christ.

#### **Purpose Statement**

Oklahoma Baptist University is an institution founded on Christian principles and teachings whose primary purpose is to conduct educational programs in the traditional arts and sciences and in other disciplines with the intent to prepare students for effective leadership and service in the various vocations.

The mission finds expression through a strong liberal arts core curriculum which supports degree programs designed to prepare students for careers and graduate study; through activities planned to stimulate spiritual, intellectual, social, cultural, and physical development; and through an environment that reflects the application of Christian principles and teachings.

Owned by the Baptist General Convention of Oklahoma and operated through a Board of Trustees elected by the Convention, the University engages in educational tasks in a manner consistent with the purposes of the Convention: to furnish the means by which the churches may carry out the Great Commission (Matthew 28:18-20). To achieve its purpose, the University has adopted several goals, among which are:

- To be a Christian learning community where faith and knowledge contribute to the individual's awareness: of himself and his obligations within a diverse and interrelated society; of truth and its force; of the joy of discovery and the beauty of existence; and of the legacy of the past, the challenge of the present, and the promise of the future.
- To cultivate Christian community in which the Baptist principles of individual freedom and dignity as well as mutual kindness and respect and concern for others are stressed.
- O To encourage a climate of learning where the student may develop the lifelong habit of critical thinking in the search for truth.
- o To identify and communicate the knowledge, experience, and values which constitute man's cultural heritage.
- O To provide opportunities for the student to engage in a serious study of the Bible and to learn the philosophy and tenets of the Judeo-Christian heritage; to instill an awareness of and an appreciation for the distinctive Baptist contribution to Christian theology and for the values inherent in the Christian faith; to encourage Christian commitment.
- O To foster an awareness of the needs of the human community and the responsibility of each individual in an active life of service.
- To offer a broad-based liberal arts education and specialized professional training in mutually supportive roles.
- o To afford the opportunity to explore the relevance of all academic endeavors to the Christian life.
- O To make personnel, services and facilities of the institution available to meet appropriate educational, cultural, and religious needs of its several constituencies.
- o To serve the Baptist constituency through the development of informed, enlightened, sensitive leadership.

Administrators, faculty and staff members will conduct themselves and their professional activity in a manner which is consistent with the Mission and Purpose Statement of the University. All academic courses, student activities and University policies and procedures will be conducted in a manner that does not contradict the Mission and Purpose Statement of the University

#### **Board of Trustees**

OBU is governed by a 30-member Board of Trustees comprised of ministers, business leaders and members of the various Baptist churches throughout Oklahoma. Each trustee serves a three (3) year term on the Board of Trustees. The Board of Trustees is organized into an Executive Committee and six standing administrative committees. Those committees include:

Executive Committee (BOT Officers and Committee Chairs) Academic Services Committee Advancement and University Relations Committee Audit Committee Board Development and Governance Business Services Committee Campus Life Committee

Chapter 1 10

#### **CHAPTER 1: ENTERING STUDENT INFORMATION**

Statistics can provide useful information to describe a given population. Tracked over time, they can be used to demonstrate trends and shape predictions. This chapter contains statistics about Oklahoma Baptist University's new students, including data that was compiled by Admissions and is used extensively by those involved in managing enrollment. All data applies to new undergraduate students.

#### Highlights include the following:

- ❖ 4456 applications were received for admission for fall 2017.
- ❖ 2825 students were offered admission for fall 2017.
- 629 new students (freshmen and transfer) enrolled.
- ❖ 555 first-time, full-time freshmen students enrolled, a decrease of 10 percent from the previous year.
- ❖ 74 new transfers were also added.
- ❖ 40 students enrolled in the concurrent enrollment program at OBU in fall 2017. This number is 55 percent above that for fall 2016.
- ❖ The average freshmen high school GPA was 3.64.
- ❖ The average SAT Critical Reading score of the new freshmen for fall 2017 was 540 points and the average ACT Composite score of the new freshmen for fall 2017 was 23 points, which are above the national average, demonstrating the University's consistency in attracting academically talented students.

#### **CHAPTER 2: ENROLLMENT INFORMATION**

Enrollment affects every aspect of University life and is directly related to institutional quality, both through the mixture of students with various academic achievement levels and through the additional tuition revenue that can be used to improve academic programs. Enrollment data drives the demand for faculty and courses and determines the need for classrooms, library materials, residence hall space, student services, and more.

#### Highlights include the following:

- Oklahoma Baptist University reported a total headcount of 1965 students in its undergraduate and 128 in its graduate programs.
- Oklahoma Baptist University students reside in 34 different states, 1 territory, and there are 75 students from 39 different foreign countries. About 65 percent of OBU students live in Oklahoma.
- New Freshmen enrollment is 555.
- The percentage of male students in the student body is 41%, with the percentage female students at 59%. Gender diversity trends at the University have typically matched national college enrollment gender distributions compared to most Christian institutions, which tend to attract much higher percentages of female students.
- The number of minority students enrolled at OBU is 696 students, or 33 percent. This percentage was influenced by the continuing strong enrollment of African American students (5%), Native American students (5%), and International students (4%).
- Nursing remained Oklahoma Baptist University's most popular undergraduate major, enrolling 207 students or 12 percent of the undergraduate student body. The following five majors enrolled the most undergraduate students:
- Nursing 238
- Biology 87
- Management 85
- Psychology: Pre-Counseling 70
- Communication Studies 66

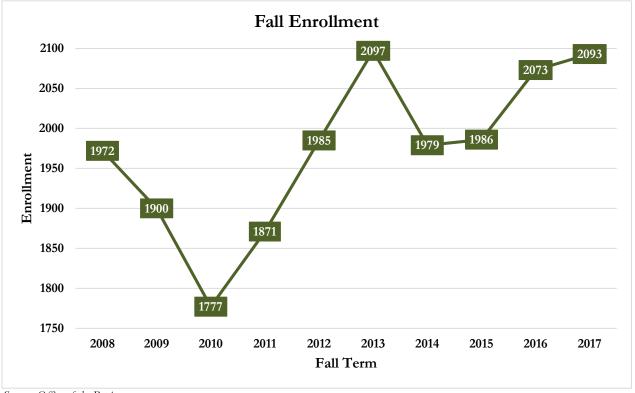

Oklahoma Baptist University has enjoyed significant growth during the past decade, with a 17 percent increase in enrollment since 2006 from 1740 students to 2093 students in 2017. As the size of the student body continues to grow, Oklahoma Baptist University remains committed to its mission of preparing these students to serve God in all they do.

## **CHAPTER 3: ACADEMICS**

### Integrating intellect and faith

Oklahoma Baptist University's liberal arts education will challenge you to question and think -habits of mind critical to the development of your future career and to developing a truly mature
Christian faith. By studying different subjects through a Christian lens, you will develop strong
analytical skills, hone your writing and speaking and become adept at adapting to new and diverse
situations.

OBU's liberal arts training will bring out the best in your mind, hands and heart, preparing you for a rich, highly engaged life.

### Results speak louder than words

- OBU graduates have a 90+ percent acceptance rate to medical school.
- OBU nursing students pass the licensing exam at a rate consistently exceeding the national average.
- OBU business grads have scored above the 90th percentile on the respective ETS Major Fields exams.
- o Recent OBU teacher education students passed their competency exams at a rate of 97 percent and 99 percent are teaching full-time.
- OBU graduates have been accepted into graduate programs at Princeton University, Duke University, the Mayo Clinic and George Washington University, among many others.
- o OBU music education grads recently have enjoyed 100 percent job placement.

### National Recognition

- OBU has been rated as one of the top 10 regional colleges in the West by U.S. News and World Report for 26 consecutive years and has been Oklahoma's highest rated regional college in the U.S. News rankings for 24 consecutive years.
- o For the 13<sup>th</sup> consecutive year, OBU has been named one of the best colleges and universities in the western United States by The Princeton Review. OBU was one of 121 institutions recommended in the "Best in the West" section on the educational research firm's website.
- OBU consistently is ranked in the Forbes.com listing of "America's Best Colleges."
- OBU is one of three universities in Oklahoma and the only private Oklahoma university listed on Great Value College's rankings of 50 Great Affordable Colleges in the Midwest.
- o Phi Theta Kappa recognized OBU as a top 40 college or university, that creates dynamic pathways to support community college transfer students.

## **CHAPTER 4: FACULTY AND STAFF CHARACTERISTICS**

While students, curriculum, facilities, and finances are all essential to the University's success, the element that draws all of these into a functioning enterprise is the University faculty and staff. With their direct influence on their students' personal, professional, and academic success, faculty members fulfill many of the fundamental goals of the University. Staff members help maintain the operation, vision, and growth of the University by overseeing the day-to-day processes that allow the school to function efficiently and competently. Together, the faculty and staff — all of whom are dedicated to Christ and to students — are critical to the University's success in accomplishing its mission.

- 72 percent of full-time teaching faculty hold terminal degrees (89/124)
- 100 percent of administrative faculty hold terminal degrees (7/7)
- 44 percent of full-time employees\* are female (207/471) and 56 percent are male (264/471)

## **CHAPTER 5: INSTITUTIONAL SUPPORT**

This chapter contains information concerning the departments and divisions that support and complement the academic pursuits of Oklahoma Baptist University.

### **CAMPUS LIFE**

#### Student Life

- O The *Career Development Office* provides guidance and career assessment services for students and alumni, information concerning vocational opportunities, and the job search process.
- Counseling Services offers personal counseling services free of charge to all full- and parttime undergraduate students. Appointments are confidential and may be made by calling the Marriage and Family Therapy Clinic
- Student Health Services offers supplementary services through the employment of a
  Campus Nurse, who is available during daytime hours to consult with students concerning
  health needs and practices.
- O The *Special Services Office* provides support services to students with disabilities. The office is committed to the goal of achieving equal educational opportunity and full participation for students with disabilities. Students are required to provide documentation of disability prior to the provision of services. If you have a need for services due to disabilities, please contact the Dean of Students' Office for details regarding applicable policies.
- The office of Student Leadership and Engagement manages residential life and housing, student involvement on campus as well as providing leadership development and opportunities.

#### **International Student Association**

The *International Student Association* (ISA) exists to help international students become involved in campus life at Oklahoma Baptist University. ISA encourages interaction with other international students and promotes partnership with American students. Membership is open to all OBU students with F1 visa, green card, dual citizenship, international heritage, or American Citizens who have lived abroad.

#### Office of Multicultural Affairs

The mission of the **Office of Multicultural Affairs** at Oklahoma Baptist University is to explore and enhance common Christian values that emphasize building God's kingdom through acceptance of diversity, a focus on unity, and on-going education on campus focusing on the importance of kingdom diversity. The vision is to further unify and recognize the principle of "unity and diversity as followers of Jesus Christ", and acceptance of the fact that we are all fellow-citizens in the kingdom of God who must co-labor regardless of differences in a spirit of unity as true followers of Jesus Christ.

#### **Council of First Nation Students**

The purpose of the *Council of First Nation Students* is to:

- o promote unity and fellowship among First Nations students at OBU
- o share and promote appreciation of tribal cultures with the wider OBU community
- o encourage First Nations students to pursue higher education at OBU
- o network with First Nations students at other colleges and universities
- o Share Christ among the Nations

#### RESIDENTIAL LIFE

A long-standing tradition of Oklahoma Baptist University has been the provision of a residential campus. This position has been affirmed through research, which reveals that if students remain in campus housing they are more likely to complete their college education, develop a strong spiritual formation, participate in campus activities, adjust to various social situations, and establish lifelong friendships with students and faculty.

## Housing Units for Men

 Agee Residence Center, (named for former OBU president Bob Agee and his wife Nelle and formerly known as Brotherhood Dormitory), includes rooms with movable furniture, accommodates 310 men, and features its own laundry facilities, fitness center, big screen television viewing area, and study rooms. Agee is equipped with cable television, and high-speed internet.

- *Village Apartments* accommodate 138 junior and senior men in 24 furnished apartments. The Village feature four individual rooms, two shared bathrooms, full kitchen, and shared living room. Twelve of the apartments have washers and dryers. All apartments include cable television and high-speed internet.
- *The Lodge* accommodates 160 men and is designed suite style with 2 individual rooms connected by a shared bathroom. This building was completed in 2015 and features a beautiful lobby with fireplace, full kitchenettes on each floor, and built in safe-rooms. The Lodge rooms include cable television and high-speed internet.
- *MacArthur Drive Apartments* accommodate 32 junior and senior men in 8 furnished apartments. MacArthur Drive Apartments were built in 1991. These apartments are equipped with cable television and high-speed internet.

### **Housing Units for Women**

- WMU Residence Center, which was built by funds provided by the Woman's
  Missionary Union of Oklahoma, is a residence for freshman women. This facility was
  expanded and extensively renovated in 2009 to accommodate 198 students. Recent
  improvements in 2017 to this facility include new furniture and flooring. WMU rooms
  include cable television and high-speed internet.
- *Kerr Residence Center*, a residence for 231 women, was named for Mrs. W.S. Kerr, mother of the late Senator Robert S. Kerr. Each student room is equipped with cable television access and high-speed internet and study rooms are available.
- *East Devereaux Apartments* provide housing for 21 sophomore women in nine furnished apartments with cable television and high-speed internet.
- *Howard Apartments*, named in honor of the late Dr. R.C. Howard and Mrs. Howard, is comprised of 12 townhouse apartments for 48 sophomore women. Each apartment is equipped with cable television access and high speed internet.
- Howard Residence Center, named in honor of the late Dr. R.C. Howard and Mrs. Howard. Howard Residence Center is suite style housing which accommodates 34 sophomore women. In 2013, Howard House was formed. Howard House is an intentional living program for sophomore women designed to enrich the sophomore-year experience through discipleship and community. The purpose of Howard House is to encourage and support a community of women to continue in their effort to become Christ-like. This is accomplished through living a disciplined life with time, studies, relationship with the Lord, relationships with others, and physical health. Applications for the program are required for acceptance into Howard Residence Center Housing.
- *MacArthur Drive Apartments* accommodate 32 junior and senior women in 8 furnished apartments. MacArthur Drive Apartments were built in 1991. These apartments are equipped with cable television and high-speed internet.
- West University Apartments house 160 junior and senior women in 40 apartments. These furnished apartments provide housing for female students and are each equipped with cable television and high-speed internet. WUA features two shared rooms, two shared bathrooms, full kitchen, and shared living room.

• The Doris and Jim Taylor Residence Center, a hall for 156 women, opened in August 1997. This hall houses sophomore women in suites each having their own bathroom facilities, cable television access and high-speed internet. Lobbies and study rooms create space for studying and socializing.

• *Village Apartments* accommodate 92 junior and senior women in 24 furnished apartments. The Village Apartments feature four individual rooms, two shared bathrooms, full kitchen, and shared living room. Twelve of the apartments have washers and dryers. All apartments include cable television and high-speed internet.

## Housing Units for Married Students

• Burns, Cobbs and West Devereaux Apartments - The University has a limited number of one and two bedrooms, unfurnished apartments available for rental to married students with and without children. At least one spouse must be classified as a full-time student, taking a minimum course load of 12 credit hours each semester. A prospective student's name will be placed on the apartment waiting list only after his/her application for admission to the University has been accepted and the required deposit has been paid. Students who desire information about married student housing and the application process should contact the Office of Residential Life.

#### **Career Services**

The Career Services office provides career assessment services and information concerning vocational opportunities for students and alumni. They strive to support students by assisting them in discovering, realizing and pursuing the highest and best uses of their God-given talents. Their primary purpose is to effectively equip students with the necessary skills to prepare for life beyond OBU.

Resources available to OBU students include the following:

- Career Fairs Spring and Fall
- Online Job Board on and off campus job opportunities, including full and part time as well as internships
- Optimal Resume a resume building tool but also includes cover letters, assessment, and interviewing help
- What Can I do with this Major? online resource to assist in identifying types of jobs, career opportunities, and professional organizations that are specific to the different majors

### Career Outcome Data

Graduates are given questions to address during their post-graduate survey. These questions focus on graduate school enrollment and employment upon graduation. Students were surveyed up to sixmonth post-graduation; this report includes full-time employment, graduate school admission, and mission/volunteer work.

Where are they within 6 months?

### **SPIRITUAL LIFE**

- O *Spiritual Life* is committed to supporting the University's Mission by creating and advancing an atmosphere beneficial for spiritual formation through vibrant worship encounters, small group experiences, and through global engagement (local and global) in Shawnee, across the U.S. and around the world. Spiritual Life is dedicated to the spiritual development of students along with their social, academic and physical development.
- O Worship Occasions for worship are found in Chapel\*, special emphasis weeks, mid-day events, and selected nights of celebration. Student led worship teams allow students to use their gifts in creative and celebrative worship experiences like Refuge, Canterbury and Connect Chapel. Many of these teams also find opportunity to use their gifts in church settings in the surrounding area and state.
- Community Small groups are developed each year through the layers of student ministry. These layers of ministry are affinity based (e.g. colleges, athletics, residential life). These groups provide personalized attention and a sense of belonging. Students are encouraged to discover gifts and passions that help focus their involvement in personal spiritual growth. Basic spiritual formation and leadership development are advanced in the context of small groups. Larger group settings (e.g. Noonday and Connect Chapel) provide support for and entrance to small group ministry opportunities.
- Outreach Local Channels for local outreach are available throughout campus. Service learning is provided through select classroom experiences and student led service teams that are life giving agents in the Shawnee area. Every week more than one hundred and fifty students from across campus are leading and serving in youth, inner city community, volunteer, senior citizen, prison and special needs perpetual service projects. New projects are considered each year. Global OBU students participate in summer, semester and

extended term mission opportunities each year. Before graduation, most OBU students will have firsthand local and global engagement experience.

- o *Avery T Willis Center for Global Outreach* Global engagement (both local and global) is coordinated through the Avery T. Willis Center for Global Outreach. Global engagement is provided through select courses, faculty direction, and student leadership.
- OBU Center for Discipleship In 2017-2018, OBU launched another center for excellence at OBU. The Center for Discipleship is designed specifically to provide resources and support for personal discipleship throughout campus life. The center is made possible through generous gifts from a national Christian foundation. These gifts assist with staff funding for individuals raising support to serve as discipleship specialists at OBU; curriculum development for programs like GraceLife, a discipleship series designed to introduce students to the foundations of the Christian faith, spiritual formation, scriptural meditation (the Bible and prayer), decision making, global outreach, spiritual guidance and perseverance. Faculty members and university administrators are involved in material development and selection and are serving as mentors of students. Faculty members participating in initial stages are from the colleges of business, fine arts, nursing, science and mathematics, and theology and ministry.
- o *Chapel* Chapel is the central gathering where the OBU family worships and glorifies God while building community, informing and educating. The Chapel program is an integral part of campus life at Oklahoma Baptist University. Chapels emphasize praise and participation in a creative and celebratory atmosphere. Chapels are provided each Wednesday of the semester at 10:00 am. Alternative worship experiences are presented on select Mondays and Fridays at 10:00 am. These alternative chapels are more casual and are often more student-oriented in style, presentation and leadership.
- o *Emerging Leaders* A new cooperative initiative that integrates spiritual life and student life to challenge, inspire, network and train the emerging leaders of the OBU campus.
- O International Mission Board and North American Mission Board The International Mission Board (IMB) and the North American Mission Board (NAMB) graciously provide spiritual life staff as global consultants, mobilizers, and/or discipleship specialists. In particular, NAMB provides an avenue for student ministry associates to raise support for serving their roles in the areas of discipleship and/or mobilization. At the present time, two discipleship specialists in residence positions are made possible through gifts given to the OBU Center for Discipleship and through fund raising efforts made possible by the North American Mission Board.

### ADVANCEMENT AND UNIVERSITY RELATIONS

#### Advancement and Alumni

O Advancement - For more than 100 years, OBU has delivered a distinctively Christian liberal arts education. Still today, OBU transforms lives by equipping students to pursue academic excellence, integrate faith with all areas of knowledge, engage a diverse world, and live worthy of the high calling of God in Christ. Through financial gifts to OBU, scholarships are provided to phenomenal students, the work of gifted faculty is supported, investments are made in innovative programs, and OBU's tradition of academic excellence and a Christian commitment is continued.

- o *Alumni Relations* keeps graduates connected through regional chapters and campus events, like homecoming.
- O Gift Planning specializes in bequests, estate gift and charitable gift plans that create perpetual scholarship funds and increase the University's endowment. Donors have played important roles in Oklahoma Baptist University's history, and their gift today secure our future.
- O Annual Support OBU's annual fund encourages financial support which assists in the university's operation. This support is contributed through unrestricted gifts, support for the Bison Athletic Association (athletic booster group) and support for the Friends of the Arts (arts support group). Annual support comes through a variety of appeals, including the annual phonathon (January-February), direct mail, personal contact, etc. Unrestricted support assists the university in providing the difference between the total cost of educating the student and what the student actually pays. The Bison Athletic Association supplements the University athletic programs through scholarship aid, the purchase of equipment, programming costs and other needs as determined by the Athletic Director and team coaches. The Friends of the Arts organization aids the Warren M. Angell College of Fine Arts through scholarship aid, the purchase of additional equipment, programming costs and other needs as determined by the Dean and Faculty of the College.

#### o Endowed Gifts to OBU

- *Scholarships* An endowed scholarship requires a minimum corpus of \$10,000. Earnings from the corpus provide for an annual scholarship award. Scholarships can be awarded based on a variety of factors (academic disciplines, geographic area, financial need, etc.)
- *Lectureship* The lectureship is a temporary appointment, usually given to a visiting scholar or speaker during a select visit to OBU. The endowment required for a named lectureship is \$50,000. These lectureships can address certain academic disciplines, subject matters or other areas of academic thought/discussion.
- Professorship The endowed professorship is a partially-funded post which is awarded to a
  professor who is prominent in his or her field, an outstanding teacher, and one who has
  demonstrated exceptional ability in the selected academic discipline. The endowed academic
  professorship can be endowed for \$250,000 and named for or by the donor. The endowment
  will be used to enhance salary, benefits, and certain expenses, such as travel, research, or
  secretarial assistance.
- *Chair* The endowed chair is similar to the endowed professorship in terms of the assistance provided, except that it is the highest funded endowed post. The faculty member holding this position is considered to be one of the most distinguished faculty members on the University campus. This position can be endowed for \$500,000.

### Marketing and Communications

### Content Development, Publishing and Distribution

During the months of June 2017 through May 2018, the Marketing and Communications team produced, distributed and published online more than 200 articles and feature stories. The team additionally distributed 330 releases for graduates from May 2017, 808 releases for spring 2017 semester honor roll awardees, 110 releases for individual scholarship award winners, 898 releases for fall 2017 semester honor roll awardees, and 136 releases honoring graduates from December 2017.

### o OBU Website

Overall traffic from Aug 2017 through May 2018 increased by 10.15% as compared to the same time period the prior year due in part to increased advertising, content marketing and other marketing and communications efforts.

### Social Media

Social media posts from June 2017 through May 2018 resulted in successful increases in every area of measurement including fans, impressions, reach and engagement. When compared to peer institutions, OBU continues to show excellent rates in online presence and audience engagement.

- Facebook OBU has made 5.8 million impressions through social media posts and realized a net gain of 1,093 likes from June 2017 through May 2018. The Facebook page accumulated 53,500 engagements during this time. OBU posted 361 pieces of content, yielding over 34,000 link clicks and 23,000 video views.
- Instagram During the months of June 2017 through May 2018, OBU's Instagram presence gained an additional 623 followers resulting in 4,891 followers, an increase of 14.6%. During this time period, the Instagram account accumulated 24,821 likes and comments.
- Twitter @obunews gained 482 followers from June 2017 through May 2018 resulting in 4,893 followers. The OBU account accumulated 932,800 impressions and increased followers by 10.9%.

O Creative Services - Creative services produced approximately 700 design projects from June 2017 through May 2018 including the OBU Magazine, print ads, digital ads, stationery items, brochures, programs, certificates, posters, postcards, invitations, newsletters, admissions marketing materials, advancement pieces, athletics projects, and trade show banners/displays.

- O Photography services were provided for the website, publications, press releases, social media, advertisements, athletic team photos, homecoming events, Chapel services, commencements, admissions events and Welcome Week, concerts and other events
- The Academic Technology and Creative Communications team provided support for numerous campus events including OBU Commencements, ribbon cuttings, concerts and performances, banquets, multiple graduation events for local high schools, admissions events and enrollment days, advancement events, Green and Gold Gala, the Pastors Conference, Welcome Week Events, Chapel services, and Convocation among others
  - Video projects included Women of Vision projects and testimonials, Welcome Week videos for social media, IMAG production for multiple events, "Find Your Place" promotional videos
  - Editing and uploading of more than 200 videos
- O Advertising Advertising and content marketing campaigns ran throughout the year to promote both undergraduate and graduate enrollment. The campaigns include digital advertisements placed on various websites, social media, mobile apps, etc. Search engine marketing has continued via paid search through Google and Bing targeting search terms relevant to both the undergraduate and graduate programs. These efforts have resulted in increased organic traffic to the website as well as increased paid traffic. Campaigns are designed to increase awareness, carry key messages, increase inquiries from potential students, boost OBU application completion, encourage potential students to send their FAFSAs to OBU, and increase campus visits.
  - Specific campaigns included campaigns for the MBA, MA, MFT and MSN along
    with undergraduate campaigns carrying key messages of the benefit and value of an
    OBU private Christian education, the affordability of an OBU education, the unique
    traditions of Bison Hill, the quality of an OBU education, the success of OBU
    graduates, and the expertise of OBU's faculty.
  - BrandInsight articles were run in conjunction with NewsOK including: OBU's
    Green and Gold Gala featuring Mary Lou Retton, From nurse to nurse educator:
    OBU MSN graduates return to teach the next generation of nurses, Earning a
    master's degree while working full-time; Serving God as a career choice, Health and
    Human Performance degrees train students for in-demand careers, Four stubborn
    money myths about private college education, MFT alumna returns as faculty to help
    OBU expand programs.

### Publications

- The OBU Magazine is published and distributed to donors, supporters and alumni
  three times per year. One edition is digital only and was published in summer 2017.
  Two editions are printed and were published in fall 2017 and in spring 2018.
- Student publications include The Bison, a weekly newspaper, and OBU's yearbook, Yahnseh. Both The Bison and the Yahnseh serve as journalism laboratories, but staff members consist of students from various areas of concentration.
- Multiple publications are created for admissions, including, but not limited to, the OBU Viewbook, Search publication, visit day postcards, and additional materials for the recruitment of students.

• The Media Committee, an administrative advisory committee composed of students, faculty and administrators, supervises all student publications.

 Other publications include The Green Book, a student handbook published online by the office of the Dean of Students, and the Fact Book published every summer.

### **Technology Services**

- o **Technology Services** provides online services to University constituents and manages the campus technology infrastructure.
- o 100% of campus has wireless network access including classrooms, dorms, library, dining area, athletic facilities and common outdoor areas.
- o The *campus technology infrastructure* includes over 240 computers on campus for student use.
- o *Technology Services* also provides comprehensive support for student-owned devices through configuration and troubleshooting.

### LIBRARY SERVICES

### MABEE LEARNING CENTER

The *Mabee Learning Center* strives to be a leader in enabling students to access and use the world of information. The library develops collections and provides access to resources that meet the program-support needs of Oklahoma Baptist University's academic community. The library provides an environment that facilitates the educational experience and participates in the broader regional, national, and international resource-sharing community.

## ATHLETICS, INTRAMURAL SPORTS, AND CAMPUS RECREATION

As a member of the NCAA Division II and the Great American Conference, Oklahoma Baptist University offers men's intercollegiate athletic teams in basketball, baseball, track and field, cross country, tennis, soccer and golf. Women's intercollegiate sports include basketball, softball, track and field, cross country, golf, soccer, volleyball and tennis.

In addition, OBU offers a wide variety of club and intramural sports in activities such as soccer, racquetball, softball, walleyball, basketball, etc. to promote participation, social interaction, and physical well-being for all students and faculty. Also, the Recreation and Wellness Center is the center of campus recreation with facilities for the pursuit of many team and individual sport and fitness activities.

The following are the stated purposes of the OBU athletics program and are compatible with the overall University mission statement:

- O To provide programs of intercollegiate athletic competition which will be consistent with and supportive of the purposes and goals of the University.
- O To provide a forum by which the athletically gifted student may develop his/her talent to the fullest while representing the University against outside competition in a wholesome, Christian manner.
- O To provide an environment which will stimulate the academic growth of the student athlete which will be beyond minimal conference/national standards and which will lead to graduation of the athletes.
- o Student Life
- O To encourage growth as Christians and as campus citizens by becoming involved in and assuming leadership roles in all aspects of campus life and by maintaining active chapters of organizations such as Fellowship of Christian Athletes.
- O To enhance the public image of the University to students (spectators and players), prospective students (athletes and non-athletes), alumni, other schools and other segments of the public.
- O To serve as a means of aiding the participant, through teams' participation and cooperation, to define, organize, and clarify a system of values, which is in harmony with a code of Christian ethics and which helps to establish a direction of personal, professional and societal behavior.
- o To make a positive contribution to the campus social environment by providing competitive athletic contests in a wholesome atmosphere for the OBU community as spectators.

#### **Athletics**

OBU athletic teams compete in Division II of the NCAA. OBU teams compete in the Great American Conference, with the exception of swimming and diving and lacrosse, which compete in the Rocky Mountain Athletic Conference.

OBU competed for the first time as full NCAA members.

Oklahoma Baptist placed 50<sup>th</sup> in its first Learfield Sports Directors' Cup standings as NCAA members.

Oklahoma Baptist placed 44 student-athletes on the Great American Conference Fall Academic All-Conference team in the sports of football, men and women's cross-country, men and women's soccer, and volleyball.

#### **FACILITIES MANAGEMENT**

- o *Facilities Management* maintains 20 academic and administrative buildings, 11 residence halls and apartment complexes, 5 athletic facilities, and manages renovation projects and construction of new buildings. Facilities Management is structured in four service areas:
- Mechanical/Electrical Trades responsible for supplying power, lighting, heating, ventilation, air conditioning and plumbing to OBU facilities.
- O **Building Trade** responsible for work on maintenance and construction by carpenters and painters to provide facilities for students and employees.
- o *Facilities Services* responsible for grounds, landscaping, vehicle maintenance and utility services.
- o *Construction Services* responsible for both new construction and remodeling projects to efficiently utilize OBU personnel and outside contractors.

### MAJOR CONSTRUCTION AND RENOVATIONS

#### 2017-2018

- O Reorganization: The Facilities Management department was reorganized to create a more efficient and effective department for providing services to the campus. The department was renamed as Facilities Services. The motor pool was outsourced to achieve travel savings.
- O Arboretum: In June 2017, OBU was awarded Level I accreditation by the ArbNet Arboretum Accreditation Program and The Morton Arboretum, for achieving particular standards of professional practices deemed important for arboreta and botanic gardens. The ArbNet Arboretum Accreditation Program is the only global initiative to officially recognize arboreta at various levels of development, capacity, and professionalism. The OBU Strategic

Plan set a goal that by 2020, the OBU campus will be regionally recognized as one of the top arboretums in the state. This recognition of being an ArbNet accredited arboretum is an important step toward achieving this goal. OBU has the only accredited arboretum in the State of Oklahoma.

- o Arboretum App: The capstone class in the College of Business began developing an arboretum app to be used to inform people about the trees on campus. This will further add to the ability to qualify for Level II accreditation as well as enhance the application for Tree Campus USA recognition.
- O Creation Sustainability Campaign: One of the university's ongoing goals is to continue to implement the Creation Sustainability Plan, including increasing recycling opportunities, working toward a zero landfill initiative, and potential utilization of compaction equipment.
- O Zero Landfill Campus/Recycling: Initial focus is on a sustainable recycling program to minimize the amount of waste to be transported. The waste provider provides recycling services and transports paper, plastic, and aluminum to the recycling facility in Oklahoma City.
- O Campus Energy Policy: We have drafted a campus energy policy that has been accepted by the Executive Leadership Team.
- o Howard Residence Center Painters and carpenters improved the appearance of the exterior of Howard dorm and apartments by power washing the siding, repairing soffit and trim, replacing shutters, and stripping and repainting the main columns to the dorm.
- O Agee Residence Center Plan to complete a facelift of a major portion of ARC this summer. Flooring will be removed and replaced. Will install new furniture purchased from the leasing company that had provided dorm furniture to St. Gregory's University.
- o WOV Card Access Project The Women of Vision card access project was completed including Ford Hall, which will be done in conjunction with the building renovation. Card access has been added to the Mabee Learning Center "Bubble", Thurmond Hall, Art Building, Wood Science, Noble Complex, Geiger Center, Shawnee Hall and the center building at West University apartments which also received security cameras.
- o Ford Hall Renovation Remodel was completed on time and the grand opening and dedication was held on April 20. The renovations served to transform Ford Hall into a state-of-the-art location for present and future generations to hone their skills as musicians, artists, debaters, actors and creative thinkers.
- o Marriage and Family Therapy Center The new Marriage and Family Therapy Center was completed and opened in April. The Marriage and Family Therapy Clinic facility serves not only the campus but also the community at large.
- WMU Flooring Project The hallway flooring and flooring in first floor rooms in WMU
  was replaced with LVT in the 2nd-4th floor hallways and ceramic tile on the first floor
  rooms and hallways.
- O Kerr Residence Hall Repaired, cleaned, and sealed the stonework on the gabled areas on Kerr Residence Hall. Tied the downspouts into a drain line to move water away from the building improving drainage and minimizing water intrusion into the first floor area during heavy rains.
- O Blue Zone Parking Painted 8 Blue Zone parking spots, 4 in the Event Lot and 4 in the Art Annex parking lot.
- O Quad Clock Tower The classes of 2017 and 2018 desire to refurbish/replace the clock tower in the quad. Pricing forwarded and University Advancement has started fund raising.
- o Graduate School Office Relocation & Renovation The Graduate School offices were moved to campus from OKC.

Chapter 5

O Mabee Learning Center Bubble - This project allows students 24-hour card access to a portion of the Mabee Learning Center, known as the bubble. Access limited to the glass enclosure to the west of the front doors and accessible through the first set of double doors and then through the sliding glass door at the west end of the breezeway. The "Bubble" was opened for student use in the fall semester of 2017.

o WMU Irrigation project – WMU grounds received the first phase of two phase irrigation plan.
